

Fall
GALA

2017

The 2017 Gala is an opportunity to join your friends and members of the community to celebrate and to recognize two extraordinary individuals who have done so much for the betterment of Jewish Senior Services and the community-at-large.

John E. Herzog, a visionary, entrepreneur and philanthropist, has shared his many talents and support with a variety of community organizations in leadership roles in Connecticut and New York. This esteemed business trailblazer spent his career at Herzog, Heine, Geduld, Inc. and spearheaded its expansion into the third-largest Nasdaq market maker in the country. John also founded the Museum of American Finance in New York City, in 1988, which is an affiliate of the Smithsonian Institution.

Jeffrey Radler has been a vital part of the Jewish Senior Services family for 10 years. Serving as the 21st Chairperson, he gave of his time generously as he lead our organization through the planning, constructing and moving to The Harry and Jeanette Weinberg Campus on Park Avenue.

Your presence and participation in supporting the mission of the Women's Auxiliary, now entering its 50th year, enhances Residents' quality of life by enriching the programs of Jewish Senior Services.
